

Vivek Pawan Kumar Sain

Master's Student in Informatik, TU Clausthal | Working Student Candidate

PERSONAL DETAILS

Date of Birth: 10 September 2001
Nationality: Indian
Languages: English (IELTS certified), German A1
Location: Leibniz Str 24, zi 80, 38678, Clausthal-Zellerfeld, Germany
Phone: +49 17635348848
Email: viveksain0920@gmail.com
LinkedIn: <https://www.linkedin.com/in/vivek-sain-b76a05378/>

PROFILE

Master's student in Informatik at Technische Universität Clausthal, with a background in Electronics and Computer Science (B.E., Honors in Blockchain Development) from Fr. Conceicao Rodrigues College of Engineering, Mumbai. Previously completed one semester of an M.Sc. in Data Science at UE University of Applied Sciences, Potsdam, gaining a strong foundation in data-driven methods and AI. Experienced in full-stack web development, machine learning, NLP, and LLM-based analytics, with hands-on project work including a patent-pending smart helmet system. IELTS certified with strong English proficiency. Seeking a Werkstudent position to apply and expand practical skills in a professional German work environment while pursuing my Master's degree.

EDUCATION

M.Sc. Informatik <i>Technische Universität Clausthal, Clausthal-Zellerfeld, Germany</i>	<i>Oct 2025 – Present</i>
M.Sc. Data Science – 1 Semester Completed <i>UE University of Applied Sciences (UE), Potsdam, Germany</i>	<i>2025 – 2026</i>
B.E. Electronics and Computer Science – Honors in Blockchain Development <i>Fr. Conceicao Rodrigues College of Engineering, Mumbai, India</i>	<i>May 2020 – Jun 2024</i>

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, C++, SQL, HTML, CSS, R
Frameworks & Libraries: Flutter, Git / GitHub
Tools & Environments: VS Code, Android Studio, Jupyter Notebook, Linux
Domains: Data Science, Machine Learning, Blockchain.
Core Coursework: Data Structures & Algorithms, DBMS, Network Security, Data Warehousing & Mining, Project Management

WORK EXPERIENCE

Web Developer Intern – IBM Edunet Foundation <i>Mumbai, India</i>	<i>Sep 2022 – Nov 2022</i>
- Independently built a full-stack job portal website from scratch, handling front-end (HTML, CSS, JS) and back-end development, testing, and deployment. - Strengthened practical skills in end-to-end web development and professional problem-solving under industry conditions.	

PROJECTS

Smart Motorcycle Helmet – Hardware & Software (Design Patent)	<i>Jun 2023 – May 2024</i>
Led development of a next-generation smart helmet featuring hands-free navigation, real-time accident detection and response, video black-box recording, and a redesigned lattice structure.	

- Owned the accident detection and response module and the structural design; supported research, surveys, and non-technical coordination.
- Filed a Design Patent for the helmet structure.

Printout Vending Machine – “Waiting Kyu?”

Jun 2022 – Apr 2023

- Conceptualized a student-focused print automation system: internet-connected printer with a companion app for document upload and time-slot scheduling.
- Managed requirements, conducted a feasibility survey, and contributed to basic technical implementation.

CERTIFICATIONS & QUALIFICATIONS

- IELTS – English Language Proficiency (Feb 2024 – Mar 2024)
- NPTEL – Python for Data Science (Jul – Aug 2022)
- IBM SkillsBuild – Web Applications
- Google Digital Garage – Digital Marketing
- Design Patent Application – Smart Motorcycle Helmet

EXTRACURRICULAR ACTIVITIES

Volunteer – National Service Scheme (NSS)

Jul 2022 – May 2023

Fr. Conceicao Rodrigues College of Engineering, Bandra, Mumbai

- Completed one full year of structured social service, contributing to community development programs, outreach activities, and team-based volunteering initiatives.

I hereby confirm that all information provided in this curriculum vitae is accurate and complete to the best of my knowledge.

Clausthal-Zellerfeld, June 2026 – Vivek Pawan Kumar Sain
